THE LOOK AND FEEL OF REAL WOOD COMES AT A PRICE

made from
95% recycled materials

As our natural resources are limited, we must protect and recycle for future generations. All NewTechWood products are produced using 95% recycled materials including plastic bottles, reclaimed wood fibers, and other products that would normally end up in a landfill.

What Makes NewTechWood the Smart Green Choice?

NewTechWood undertakes annual, third-party audits to assure compliance with environmental, health, and safety regulations and guidelines – a demonstration of our commitment to a greener alternative to wood building products that deplete the planet's resources.
